Ivy Day Ode

The day of the year returns
When the Request for Remembrance is fulfilled,
And the scholar relinquishes his book and pen
To watch the ancient ritual again.

Ten decades past a seed was planted in the mind of man
To find a certain meadow,
And from the paths for grazing, gentle beasts
He would lead young lives to knowledge.
Deep into the dark earth he planted his institution
And from the beginning he and his beloved friends
Were the firm roots of the school—
To nourish and guide the growing branches of those who were to come.
These branches grew strong, knit well;
And so the faculty repeats again
The teachings of the flowing tongues of the wise.
To support the youngest element —
The tender shoots, the soft green leaves
Before they flee away in the whirlwind of Life.

The leaves, the leaves, the shining, bobbing leaves
Watching the wheels of the day's chariot
Or drooping in a quiet corner
Safely away from the fierce lungs of the strong blast.
The leaves — each a different shade of its soul —
Nestle against the worn back of the wall
Listening and listening to the voices around them
Because there is much to know
Before they, too, join in the mist of the past seasons.

The monotonous bell, a joyous laugh,
A tinkle of test tubes, a rustle of paper,
The scrape of running feet, an excited shout,
A lonely whistle, a wistful sigh,
A cursing man, a ticking clock,
A banging door, the hissing pipes . . .
Incredibly, unbelievingly,
Cynically, sarcastically,
Happily, hesitatingly,
Mournfully, merrily . . .

The convergence of noisy living from the once silent meadow;
The building of a city from the wilderness;
The gathering of many people from the prayers for understanding;
The ethereal fantasy to brick-red reality;
The thoughts of the scholar on a winter night;
The professor poring over yellowed pages;
The apathy to the grasp of truth;
The warmth of love before the child;
The breath of spirit to the moving steps of a man;

The seed lifts a great plant;
So the Miracle began with nothing
And the leaves shall fall away to feed the new.
But the nothing was the Unseen Spirit
That nourished the love
That gave the courage
That showed the knowledge
That grew the seed
And the seed grew to the Ivy—The green swaying Ivy,
The living plant of a Dream.

Football

Compared with the previous season, the 1960 Bates football squad showed definite improvement as the new unbalanced line offense seemed to add to their overall punch. Sparked by a group of veterans and getting help from sophomore and freshmen, the Bobcats compiled a commendable 2-3-2 record.

Bates opened the season with a 21-6 victory over Union College. Paul Planchon, '64, scored from nineteen yards on the first time he carried the ball as a collegian; a pass from quarterback Swift Hathaway, '62, was caught by end Paul Castolene, '63, for a second touchdown and fullback John Curtiss, '63, scored the final touchdown and also kicked three conversions.

On the following Saturday, the Bobcats traveled to Medford, Mass., where they were beaten by Tufts, 43-12. The brightest moment for Bates came when James Keenan, '61, took a Tufts kick and ran it back for an 80 yard touchdown gallop.

The next week was more successful as Bates defeated Worcester Tech 7-6 on a fourth period play that saw Castolene snare a Hathaway pass and lateral to Planchon who raced for the touchdown. Curtiss' placement provided the margin of victory.

Sporting a 2-1 record, the Garnet eleven returned to Garcelon Field to entertain undefeated Middlebury. Bates rolled up 432 yards in total offense, but had to settle for a 14-14 deadlock.

In the opener of State Series play, Bates faced Maine at Orono. William Davis, '63, filling in at quarterback for the injured Swift Hathaway, hit Castolene with a second period touchdown toss and Curtiss' kick tied the score. A Davis pass to Dennis Tourse, '62, provided another Bates touchdown. The Bates conversion went astray to make the final score 13-13.

In Homecoming action the next Saturday, Bates was downed by Bowdoin 6-0. Throughout the afternoon Bates was plagued by fumbles and penalties which constantly stalled the attack.

The final week saw Colby triumph over the Bobcats by a 32-0 score. Bowdoin, by virtue of three straight victories, won the state championship, their first since 1952.

Barron, L. Nute, R. Rottenberg, F. Webel, G. Hunter, R. Sampson.

Soccer

The 1960 Soccer team compiled an unenviable record of one win and six losses, but it is the noticeable spirit and increase in skill that more than compensate for the record. A win over Nasson, two close games against Bowdoin, and exciting games against Nichols and Brandeis, two of the best teams in New England, high-lighted the season. Next year, with many experienced players returning and the services of a coach for the first time, the team should be much improved. The services of J. Guite, B. Garcelon, J. Adams, S. Brown and co-captain Dick Yerg will be sorely missed. Things look bright for 1961, however, as veterans M. Harmati, D. Kramer, D. Rushforth, and J. Allen will be returning.

1960 - 1961 WINTER TRACK TEAM

First row: Coach W. Slovenski, M. MacDonald, P. Schuyler, D. Boone, S. Ullian, B. Guilvar (Capt.), D. Janke, S. Barren, D. Randall, E. Silverberg, F. Vana, H. Maloney (Mgr.). Second row: P. Planchon, J. Keenan, C. Moreshead, W. LaVallee, P. Graves, P. Williams, J. Ford, D. Brown, R. Scofield. Third row: D. Lougee, J. Nye, J. Tamburino, C. Peterson, D. Tourse, J. Young, J. Hall, R. James. Fourth row: K. Norris, R. Peek, E. Rucci, R. Butler, D. Johnson, A. Schmierer, R. Andren. Fifth row: W. Evans, J. Wilson, J. Donovan, E. Margulies.

Winter Track

The 1960-61 Winter Track squad compiled a record of 3 wins and 2 losses. Bates beat Tufts, M.I.T., and Bowdoin, and barely lost to Northeastern. The final meet of the season saw a very strong Maine team soundly beat the Bobcats.

The season featured several outstanding individual performances. Record breakers were: Larry Boston in the 600 and 1000, Paul Williams and Dave Boone in the broad jump, and Barry Gilvar and Frank Vana in the dash.

Lost via graduation are four seniors: Barry Gilvar, Jim Keenan, DeWitt Randall, and Frank Vana. Returning is a very strong nucleus of underclassmen. Standouts like Peter Schuyler, Jon Ford, Robin Schofield, and Bill LaVallee will be key men in future Bates track hopes.

A very capable relay team performed well in the Boston and New York meets. The season, although not outstanding record wise, was a good one. A lack of adequate weight men and injuries did not prevent Bates from fielding a powerful running squad. The fine depth in the middle distance events should bring Bates' success in the outdoor season.

Excellent school support and the fine coaching of Walt Slovenski were large factors in the continued success of the Bates' track program.

1960 - 1961 BASKETBALL TEAM

Left to right: R. Evans (Mgr.), P. Fisk, P. Castolene, M. Johnson, P. Glanz, J. Sutherland. (Capt.), T. Freeman, C. Rapp, S. Brown, R. Zering, C. Harte, Coach R. Peck.

Basketball

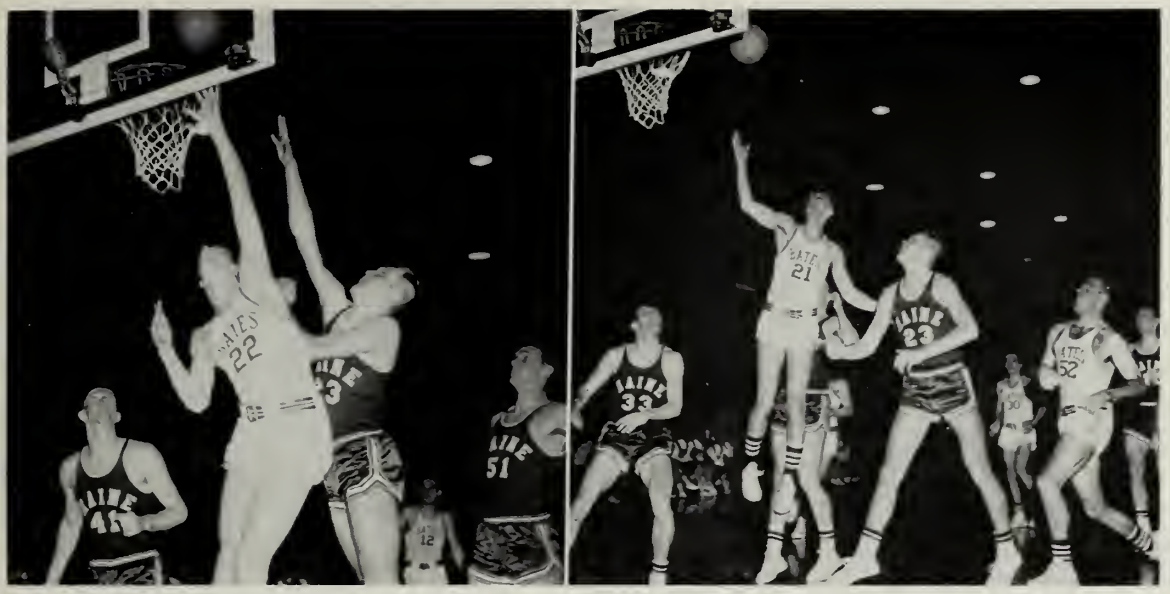
A consolation trophy in the Down-East Classic and an impressive showing in the North-East Regionals of the N.C.A.A. College Division Tournament highlighted one of the most successful campaigns in recent years for the Bobcats.

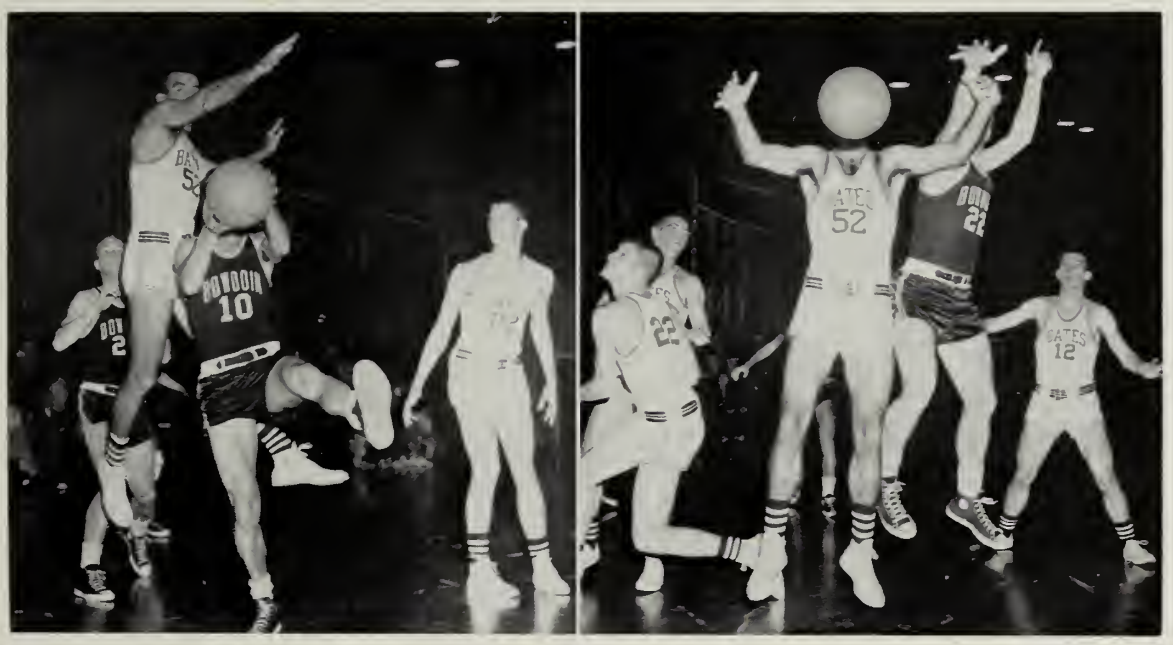
Captain Jim Sutherland led the varsity five to a very respectable 15 to 9 record. In doing so, he broke his own rebound record and tied the individual scoring record with 42 points against U.N.H.

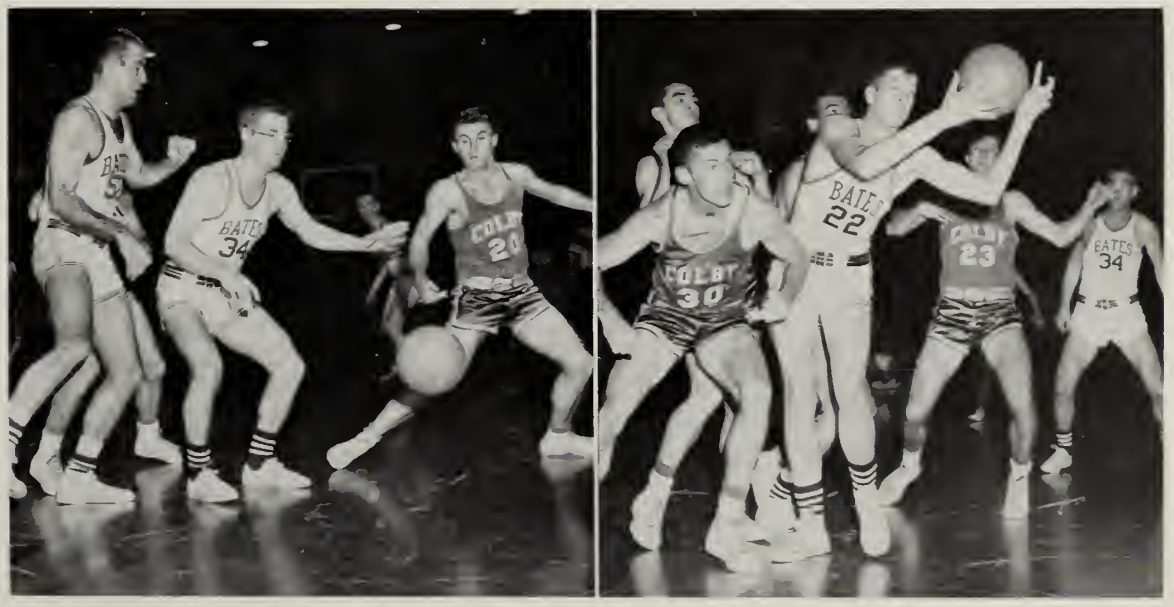
Highlights of the season included three decisive victories over Bowdoin, two close victories over Colby, including an overtime thriller which ended the regular season, and wins over U.N.H., Springfield, and Boston University.

The dependable playing of starters Jim Sutherland, Scott Brown, Tom Freeman, Peter Fisk, and Carl Rapp in addition support from "Chick" Harte and Mal Johnson gave the Cats a 12 and 3 record against small college competition and a post season bid to the college division regionals. There the Garnet, with a second half spurt, defeated Springfield 75-63, and then fell a bit short in their bid for the championship, losing to a top flight Williams team, 75-68.

Although the shoes of big Jim Sutherland will be tough to fill, Coach Peck will have a strong nucleus in the three returning starters Carl Rapp, Peter Fisk, and Tom Freeman as well as able substitute Chick Harte. The Bobcats will be captained by Peter Fisk who was selected to the all-star team of the N.C.A.A. Tournament.







1960 SPRING TRACK TEAM

First row: D. Morse, R. LaPointe, R. Erdman, J. Douglas (Co-capt.), R. Smith (Co-capt.), P. Allen, J. Walsh, B. Gilvar, Coach W. Slovenski. Second row: D. Randall, J. Nye, P. Schuyler, C. Peterson, J. Keenan, D. Lougee, R. Scofield, S. Hicks (Mgr.). Third row: W. LaVallee, D. Janke, D. Boone, R. James, P. Palmer, C. Rapp, H. Maloney (Ass't. Mgr.). Fourth row: D. Brown, J. Young, S. Ullian, T. Cherot, K. Snow, L. Boston.

Spring Track

The spring of 1960 saw the Bates Track Team carry its undefeated indoor record to a successful conclusion. Wins over Northeastern, Brandeis, and Colby were only trial efforts for the big clash at Orono in the traditional State Meet.

The big meet wasn't decided until the final two events when the Bates team emerged as victorious State Champs. The undefeated year saw the University of Maine fall victim to Bates' power twice.

Poor weather in the spring limited the team's post-season performances in the Eastern and New England meets. Rudy Smith won his final race for Bates gaining the New England 440 crown.

Bates will lose its track greats, Rudy Smith and John Douglas, by graduation along with Bob Erdman and Doug Morse. Returning is a large nucleus of the State Championship team led by State Champs Pete Schuyler in the mile, John Curtis in the javelin, Jim Hall in the high jump, and Barry Gilvar in the dash. These boys along with a host of promising underclassmen should lead another well-balanced Bates team to victory.

Baseball

The 1960 Bobcat baseball team finished the season with a 4-8 record, scoring one State Series victory over Maine by a score of 7-1.

It was a building year for Coach Chick Leahey who used six freshmen and sophomores in his starting lineup. The Garnet was further hindered by a particularly cold spring. The inclement weather forced the cancellation of the pre-season southern trip. Having to work out in the "Cage" until the opening of the season, the Bobcat hitters found it difficult to match opposing pitchers when they finally got outside.

Injuries also hurt. Senior Captain Bob Graves developed a sore pitching arm and was limited to outfield service. Sophomore John Lawler was out for most of the season as the result of a collision on the basepaths. Frank Vana, who was an All-State selection in 1958, was out of action because of a leg injury sustained during the Winter Track season.

The pitching was handled by veteran senior, Gerry Feld, junior Jack Bennett and freshman Ron Taylor. They were all strong performers, but their efforts were offset by a lack of consistent hitting and miscues by their inexperienced teammates. Junior Dick Gurney directed the team from behind the plate.

The standout performer for the season was Ron Taylor who pitched, fielded, and hit his way to an All-State selection. He hit five home runs and had an impressive .439 batting average for the season.

The Cats face a bright future with men like Taylor, sophomore Ed Wilson at second, Bill Davis at shortstop, slugger "Red" Vandersea at first, and Swift Hathaway in the outfield. Jack Bennett will lead the pitching staff. With the return of Frank Vana and John Lawler, Captain-elect Dick Gurney and Coach Leahey can look forward to a promising year in 1961.

Golf

The 1960 Varsity Golf Team compiled a record of 4-7-1, plus a surprising first place team finish in the medal tournament held at the Augusta Country Club. Coach Bob Hatch considered it to be a successful building year, however, as three freshmen broke into the starting seven.

The 1961 squad shapes up to be the finest in Bates history. It includes lettermen Captain Mal Johnson, Pete Gove, Tom Brown, and Bob Zering, plus promising Andy Wit, Dick George and freshman Chuck Lasher.

Tennis

Under the competent coaching of Dr. Robert Peck, the 1960 Bates tennis team compiled an excellent 7-3 record and finished second in the State Series competition. Play was highlighted by Bruce Kean's perfect slate in singles and the doubles team of Kean and Captain David Graham.

With many veterans returning, the prospects for the coming season are indeed bright. The team will be captained by Bruce Kean.

1960 CROSS COUNTRY TEAM

Left to right: Coach W. Slovenski, D. Randall, W. Dunham, E. Margulies, S. Ullian, T. Thomas, J. Wilson, E. Belden, E. Silverberg.

Cross Country

For its third year of intercollegiate cross-country, the Bates harriers did a commendable job against some keen competition. Led by Captain DeWitt Randall, the thinclads overpowered such established cross-country schools as Tufts, W.P.I., Brandeis, and Bowdoin. The only schools to overcome our runners were such formidable powers as the University of Maine, Boston College, and M.I.T. All of this year's team, except for Randall, returns to provide a strong nucleus for next year's squad which will be powered by captain-elect Larry Boston.

MEN'S INTRAMURAL COUNCIL

First row: T. Cherot. D. Kramer. F. Ricker. E. Hebb. Second row: S. Bishop. D. Singer. R Scofield. A. Francoeur.

Intramurals

The object of the intramural program is to provide competitive activity in a friendly atmosphere for those students who are not participating in varsity athletics. The program offers extra physical activity for the Bates men besides the regular physical education program. Some maintain intramurals have a very strong "spiritual effect" on its participants, especially the freshmen. This "spiritual effect" is better known as "dorm spirit", whereby teamwork provides an opportunity for diametrically opposed personalities—such as roommates—to act as a unit and become closer friends.

This year the program has been the finest we have seen in four years. The football season saw seniors Dick Paveglio and J. Curry lead an aerial-minded Smith South Team to an "A" League crown and an overall title by downing the "B" League champs of West Parker.

The basketball season provided excitement beyond any expectations. Smith South led by J. Curry and Red Vandersea again received the "A" League Championship and overall honors. The Smith Club was almost upset by Web Harrison's Smith Middle "B" League champs in a tight playoff game. The "C-I" League was won by Smith South led by senior Brad Garcelon and Dick "Yogi" Yerg. The "C-II" honors were taken by West Parker.

Lacrosse

A new sport reared its head on the Bates College campus this year. The 1961 Lacrosse team, which will operate in much the same capacity as the Soccer team, hopes to play an ambitious schedule with teams from surrounding colleges. The squad, as yet without a faculty coach, plans to make this year a building year. It is hoped that a strong nucleus can be built so that the Lacrosse team will have a victorious season in the very near future. A call for candidates for the team was answered by almost two dozen interested men. It is the hope of the team that their spirit and increased skill will compensate for the predicted season record. Eventually, it is hoped that the Lacrosse squad will be deserving of varsity status.
